

A disciple is a student who learns the doctrines and lifestyle of the one they follow

- Both an informational and a relational component of discipleship

1

---

---

---

---

---

---

---

A disciple responds to the invitation (38-39)

- The invitation leads to transformation

2

---

---

---

---

---

---

---

A disciple desires meaningful fellowship (38-39)

- We become like what we seek

3

---

---

---

---

---

---

---

A disciple seeks out new disciples  
(40-45)

- Those who care will share

4

---

---

---

---

---

---

---

A disciple lives authentically  
(46-50)

- To be seen is to be known
- Masks conceal what God wants to reveal

5

---

---

---

---

---

---

---

The essence of discipleship is  
relationship
