“...Nature In Its varied forms are the little windows through which God permits me to commune with Him...and to see much of His glory, majesty, and power by simply lifting the curtain and looking in...”

4

“I love to think of nature as unlimited broadcasting stations, through which God speaks to us every day, every hour and every moment of our lives, if we will only tune in and remain so...”

5

“I am more and more convinced, as I search for truth, that no ardent student of nature can ‘behold the lilies of the field,’ or ‘look unto the hills,’ or study even the microscopic wonders of a stagnant pool of water, and honestly declare himself to be an infidel.”

Followers look like their leader

1. They do the things Jesus did
2. They ask for greater things in prayer

7
